The Honorable Arlen Specter
U.S. Senate
711 Hart SOB
Washington, DC 20510

Re: Currency Reform for Fair Trade Act (HR 2378)

Dear Senator Specter:

We appreciate your support for smart trade policies for the United States and your support for a bill to neutralize foreign currency manipulation. The Pennsylvania Chapter of CPA strongly requests that you ask Majority Leader Reid to schedule a vote on currency without further delay.

The Pennsylvania Chapter of the Coalition for a Prosperous America represents manufacturing, labor and agriculture interests in Pennsylvania. We all agree that the Senate must pass HR 2378 (Currency Reform for Fair Trade Act) or a substantive equivalent during the 2010 lame duck session.

We know you support the bill. However, we ask that you press party leadership to schedule a vote on this matter. This is a bi-partisan bill that will have a major impact on the ability of Pennsylvania producers to succeed domestically and in the global marketplace.

Sincerely,
